STATEMENT OF SUBSTANCE OF INTERVIEW

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Please review and enter the following remarks summarizing the interview conducted on
July 11, 2006:

REMARKS

An Examiner's Interview Summary Record (PTO-413) was received on July 11, 2006.

During the interview, the following was discussed:

1. Brief description of exhibits or demonstration: None.
2. Identification of claims discussed: All pending claims (mainly claim 1).
3. Identification of art discussed: Hecksel (U.S Patent No. 6,151,708) and Colyer (U.S Patent No. 6,745,196).
4. Identification of principal proposed amendments: None.

5. Brief Identification of principal arguments: Applicant pointed out that the Examiner has admitted on the record regarding the deficiencies of the primary reference Hecksel, and is thus relying on the secondary reference Colyer as allegedly teaching the "to-be-registered information generating section" recited in claim 1.

6. Indication of other pertinent matters discussed: None.

7. Results of Interview: No agreement with respect to the claims was reached.

It is respectfully submitted that the instant STATEMENT OF SUBSTANCE OF INTERVIEW complies with the requirements of 37 C.F.R. §§1.2 and 1.133 and MPEP §713.04.

If the USPTO deems it necessary, Applicant hereby petitions for any extension of time which may be required to maintain the pendency of this case, and any required fee, except for the Issue Fee, for such extension is to be charged to Deposit Account No. 19-4880.

Respectfully submitted,

Daniel Wooseob Shim
